

Swachh Bharat and Swastha Bharat must be mass movement through CSC: Shri Ravi Shankar Prasad

Union Minister for Electronics & IT and Law Justice, Shri Ravi Shankar Prasad said today that the Village Level Entrepreneurs (VLEs) have played a major role in revolutionizing Common Service Centre Movement in the country. Inaugurating the two days workshop on "Tele-Centre Entrepreneurship Course" today, he said time has come when these entrepreneurs have to be the main drivers of shaping new India as envisaged by the Government.

He appreciated the efforts of the enterprising VLEs in providing key services at the grassroots level and announced introduction of rewards at both central and regional level for the best performing entrepreneurs. He said next year onwards best performing VLE will get cash reward of one lac rupees. These awards will also be on regional basis and there will be 5 activity based awards.

The Minister said, "When our government came into existence, there were 83,000 CSCs in India, now, we have 2.92 lakh CSCs across the country. 54,000 women VLEs are working hard to achieve the goals of Digital India mission in rural areas. In just 4 years, the total transactions of VLEs have increased from just one Cr (in year 2013-14) for an amount of 180 Cr to 17.83 Cr for an amount of Rs. 19,000 Cr in 2017-18. CSCs have given employment to more than 10 lakh people in

India. I am confident that, all VLEs will be able to achieve the turnover of Rs. One Crore during the current year."

Appreciating the strength of VLEs in mobilizing rural citizens under Digital India mission, the Minister said: "I have great expectation from CSC VLEs. Our VLEs are change makers of India. I am happy to note that CSCs are training auto drivers for using BHIM and encouraging them for Cashless India movement. I congratulate our VLEs who are running Sanitary Napkin manufacturing units in various part of country and contribution in women's health and hygiene. Swachh Bharat and Swastha Bharat must be mass movement through CSC."

He added, "We want to take our Digital Economy to Rs. one lakh Crore. In next few days, expansion of railway reservations would be done through CSCs. CSCs has opened 31 BPOs in India and the plan is to open more such BPO in CSC."

The Minister was addressing 700 VLEs at a two days training workshop organised by CSC SPV on "Tele-Centre Entrepreneurship Course". The main objective of the Telecentre Entrepreneur Course (TEC) is to inculcate the skills of entrepreneurship among the Village Level Entrepreneur (VLE) and train them on various government and other services provided by Common Services Centers.

The Minister also asked to explore the possibility of involvement of CSCs in health insurance scheme and support the citizens in availing this unique initiative of the government.

Sh. Ajay Prakash Sawhney, Secretary, MeITy, said, "CSC movement has great significance in Digital India mission. I want to congratulate VLEs for their tremendous role. CSC VLEs are enabling the disbursement of entitlement and pension to various citizens living in far flung areas of the country." He added, "The VLEs should encourage citizens and merchants for using BHIM app through BHIM QR code in their day to day transactions. Today, we have 110 Micro Manufacturing Units of sanitary pads. It's a matter of pride for all of us. This is magic of entrepreneurship, that VLEs have converted their turnover to more than Rs. One Crore. We would support CSCs in setting up 10 seater BPOs."

Sh. Pankaj Kumar, Additional Secretary, MeITy said, "CSCs are playing a central role in the government's Digital India program. The government is encouraging women to set up CSC. CSCs

are regarded as change of social change."

While welcoming the participants to the workshop, Dr. Dinesh Tyagi, CEO, CSC SPV said, "VLEs like Samkit Jain (Rajasthan), Padma (Andhra Pradesh), Dhanlakshmi (Tamil Nadu), Sonu Bala (Haryana), Ramshida (Kerala), Snehlata (Rajasthan), Gokul Saini (Rajasthan) are doing wonderful things through their hard work. CSC will make 6 Crore people digitally literate in India as well as build the Gram Swaraj in India. Today, government has a lot of expectations with CSC. We have to work hard to fulfill the mission of empowerment of Rural India."

The two day workshop will also cover: Topics of entrepreneurship relevance by experts in the field as Prof. MM Pant, Prof. Alok Pandey and Bijay Bhattacharya (from Tally).

The Minister presented awards to VLEs who successfully passed Tele-centre Entrepreneurship Course exam. On the occasion, a special publication highlighting Top 500 transacting VLEs of CSC and film on Rural Entrepreneurship through CSC also launched by the Minister.

Humanitarian and Disaster Relief Seminar: Head Quarter western Air Command

Head Quarter Western Air Command, situated in Subroto Park, Delhi conducted a seminar on Humanitarian and Disaster relief (HADR) on 14 May 18. The seminar is being conducted to focus onto effective measures to deal with HADR situations in Northern region of India. Apart from the IAF participation, secretary level delegations from the states of Himanchal Pradesh, Rajasthan, Uttarakhand, Haryana, Punjab and Jammu & Kashmir are participating in the seminar. Major respondents to disaster situations like

NDMA, NDRF and ITBP are also attending the seminar.

In disaster situations, more often than not, the IAF is the first responder and kick starts the process of help to the affected population. To its credit, the IAF has not only national disaster relief operations like Op Madad - Chennai Cyclone, Op Rahat-UttarakhandFlash Floods, Op MeghRahat- Flood relief in J&K and relief operations at Andhra Pradesh during cyclone HUD HUD, it also has been carrying out relief actions in the international disaster situations like Evac of

Indian Diaspora from Yemen, Op Maitri - earthquake relief

at Nepal, cyclone relief at FIJI and flood relief in Sri Lanka.

E-Pension Payment Order: New Step in the Right Direction

Furthering the Digital India-initiatives of Govt. of India, Principal Controller of Defence Accounts (Pensions), Allahabad has startedissuance of electronic-Pension Payment Orders (e-PPOs) to the pensioners along with their Pension Disbursement Agencies viz., Banks, Defence Pension Disbursement Offices, Post Offices, etc. What began in the first phase, for all Commissioned Officers and JCOs/ORs of Armed Forces from the month of October 2017, has now been extended to all defence pensioners including defence civilians.

Principal Controller of Defence Accounts (Pensions), Allahabad is the sole agency under Ministry of Defence which sanctions Pensions for the Defence Services viz., Army, Coast Guard, Defence

Research and Development Organization, General Reserve Engineer Force, Border Roads Organization, Military Engineering Services and other Defence organisations including Defence Account Department and Defence Civilians.

The shift from manual system to e-PPO system is expected to minimize delays in pension disbursement and further revision as and when needed. This initiative also eliminates the occurrence of human errors in data entry at multiple levels.

The next big step in this direction would be digitizing pension documents received from 46 record offices and more than 2900 Heads of Offices. This initiative by PCDA (P) will facilitate better implementation of OROP.

Miraj Cinemas to launch Miraj CineMAA on Mother's Day

Miraj Cinemas, one of the fastest growing theater chains in the country, has launched online & offline campaign to celebrate Mother's Day this year with—Miraj CineMAA.

Mr. Amit Sharma, Managing Director Miraj Cinemas said, "The relation between a MAA and Child is eternal and it is always naive at any moment of life. Our Indian cinema has always tried to project few small facets but very prominently. With this effort, we are just trying to get some more facets that can be projected in future." He adds, in India entertainment is not only entertainment it is always with some message so this occasion is perfect for 'Miraj CineMAA'.

The campaign, with loads of fun wrapped, entails level

contests offering cine-goers to win gift hampers and free movie tickets for the mother-son/daughter duos. Winning chances are available for all on social websites—Facebook, twitter and Instagram—as well as on on-air radio and at the multiplexes in various cities across the country.

The campaign delivers a unique message that the best moment for a child can ever receive from his/her mother is a moment of love, affection and care, which is far more valuable and precious than any material gift in the world. This is equally a priceless moment for a mother when she experiences the most blissful state in her motherhood with loving and caring child. (19-10)

Three nation Latin America visit bridges 'high level contact deficit', says VP M.Venkiah Naidu

Vice President Shri M.Venkiah Naidu today said that his visit to three Latin American has addressed the 'high level contact deficit' with the important region and would help in improving bilateral trade and investments for mutual benefit. He briefed media persons in Frankfurt, Germany today before leaving for New Delhi after concluding his week long visit to Guatemala, Panama and Peru.

Shri Naidu said "High level visits by Indian leaders to identified countries and regions of the world are affirmative statements of intent to enhance cooperation for mutual benefit. India has embarked on such engagements over the last four years and this visit is a part of that well thought out outreach. This is in line with India's vision for a better world through collective actions for shared benefits."

Vice President explained that the three Latin American countries offered significant opportunities for India given their high level of engagement with the USA and the other North and South American economies through regional arrangements and Free Trade Agreements, besides being logistic and financial hubs in the region. Shri Naidu further said "India's sub-optimal engagement with these three countries is to a large extent due to high level contact deficit. My visit is the highest level ever from both sides to Guatemala and Panama since establishment of diplomatic ties about 50 years ago. Former President Shri K.R.Narayanan visited Peru in 1998. I am hopeful that my visit would catalyse enhanced flow of trade and investments through necessary follow up actions by respective governments".

Shri Naidu informed that the top leadership of the three Latin American countries have acknowledged the strengths and expertise of India in various fields and it's fast growing economy which they said could benefit their countries under enhanced engagement. Vice President stated that during his visit, five Memoranda of Understanding and Agreements have been signed. These relate to training of diplomats and English teachers of Guatemala; Exemption of visas for diplomatic, official and consular passport holders of India and Panama besides a Work Plan for cooperation in agricultural research and Cooperation in New and Renewable Energy with Peru. During the talks with Panamanian leaders, Shri Naidu also announced a total of US \$ 25 million Line of Credit for setting up a Centre of Bio-diversity and Drug Tracking and a Centre for Innovation and Technology. Shri Naidu said "Presidents, Vice Presidents and concerned senior ministers of these three countries spending long hours discussing various issues of mutual interest and the road ahead with the Indian delegation has been very assuring".

Global Beauty Brand for Women, Avon launches Breast Cancer Awareness Drive 2018

New Delhi: Avon India, the women's beauty brand has launched the second leg of its pan India campaign '#PayAttention' to raise awareness on breast cancer. Avon supports the core cause of Breast Cancer awareness over the last 25 years, with the support of their six million independent Avon Representatives worldwide.

With an objective to connect with a wider audience, Avon planned a national theme for the campaign with the name '#PayAttention'. Last year, 5,00,000 women lost their lives to breast cancer. One of the main reason is lack of knowledge and awareness about breast cancer. Most of the women don't

know the symptoms and the risks of the disease. Avon India is consistently working towards the mission of awareness about this disease. Last year, the campaign created huge social buzz including 185 thousand interactions which were created on Instagram, followed by 199 thousand interactions on Facebook posts and touched thousands of lives.

This year, as a part of the '#PayAttention' campaign, Avon will unveil a thought-provoking film which is expected to create a huge social impact and urge people to come forward, react and do self-examination to detect this problem in time. (20-4)
