

## Minister of State of Defence Visited Ordnance Factory, Vehicle Factory and Gun Carriage Factory at Jabalpur

The Minister of State of Defence, Dr. Subhash Bhamre, visited Ordnance Factory Khamarla, yesterday. After the Guard of Honor by security squad, he reviewed the exhibition of products made in the factory. He was accompanied by Member of Parliament from Jabalpur Shri Rakesh Singh and MLA of Jabalpur Cantt area

Shri Ashok Rohani. With keen interest he saw the 125mm FSAPDS anti-tank ammunition mango project. Later Minister inaugurated the state-of-the-art new production line for manufacturing of new variants of 84 mm ammunition. The Minister appreciated the efforts made by the Ordnance Factory Khamarla for 106mm RCL and

safe disposal of other rejected ammunitions. Also he appreciated and expressed his pleasure regarding the facilities prepared for the production of new ammunitions. He praised the efforts made by the factory, which he also recorded in his statement in the visitor's

book. Senior General Manager also presented a memento of the factory to the Minister, MP and MLA. In the end, Dr. Bhamre paid tribute to the martyrs during the production in the martyr's memorial, planted Ashoka's plants in the martyr's memorial.

## Jay Bhanushali returns as the host of the second season of The Voice India Kids

India's most acclaimed television singing reality show, The Voice India Kids - Season 2 is back with a pool of young talent from across the country. The stage brings together the best voices on a national platform for a grand celebration of music and the power of Voice. Extremely popular with the audiences, the makers hope to keep viewers gripped this time around too and have roped in Jay Bhanushali to host this season. This season marks the return of Jay as the host of the show yet again, however, Sugandha will not be joining him this time around. He will be accompanied by the talented little child artist - Nihar Gite. Here's a Bade miyan-Chote miyan Jodi to watch out for. Jay has showcased his anchoring

skills in many reality shows previously and is known for being adored by the kids. He will not only be seen guiding the kids through the journey but also be a friend to them. Commenting on the same, Jay Bhanushali said, "In the last three or four years I have been hosting a lot of kids reality shows because I have discovered that I'm very comfortable when it comes to interacting with kids. I believe that reality is all about being yourself and the kids innocence and spontaneity amuses me. The energy on the show is infectious and I'm extremely happy to be on board. Last year it was the No. 1 show and I really hope this magic continues and that the audience showers the same love on us this year too!" (19-10)

## New Delhi to host drink technology India for the first time ever

The annual showcase of beverage, dairy and liquid food processing industry, drink technology India is all set to take place in New Delhi for the very first time from October 26 to 28, 2017 at Pragati Maidan exhibition center. The trade fair will now take place every year to capture the high growth potential markets across India. Originally, dti 2017 was planned for just one exhibition hall at the Pragati Maidan Center in New Delhi. However, the excellent reputation of dti in India and strong demand from the sector meant that dti has been able to extend the planned space by one more hall. dti 2017 attracted strong interest from exhibitors. Over 200 exhibitors representing over thousand brands are participating. Some of the participating companies are ACE Technologies, Anton Paar, Chemco Group, Krome Dispense, Repute Engineers, R J Brewing and The Brewmaster.

Bhupinder Singh, CEO of Messe Muenchen India said: "drink technology India attracted strong interest from the exhibitors. The exhibition was sold out three months prior to the show which underlines the excitement of our participants. We are looking forward to welcoming the industry in New Delhi." The strong demand from the sector underlines the importance of the beverage, dairy, liquid-food and associated packaging industry for the Indian market. "Alternating between New Delhi, Mumbai and Bangalore, dti now has excellent coverage of the north, south and also the west of India," explained Markus Kosak, Exhibition Director of dti. "As a result we can offer our customers lasting visibility across the whole of India and we enable the industry to target the individual sectors in the respective regions in a highly efficient way," continued and Kosak. ## Reveals Amazon Gift Cards as the Most Preferred Corporate Gift

**Bangalore** - A nationwide study conducted by Nielsen on Corporate Gifting Preferences in India found Amazon Gift Cards to be one of the most preferred corporate gifts amongst Amazon Gift Card recipients. The study was commissioned by Amazon and conducted on 2669 recipients of Amazon Gift Cards for corporates. With corporates gifting through the year on a variety of occasions including employee rewards and recognitions, channel partner gifting, sales incentives, consumer promotions, consumer loyalty programs, client gifting, festive and annual gifting, the study found that 86% of Amazon Gift Card recipients, across gifting occasions, were satisfied with their gift cards significantly

higher than that with other gift cards / vouchers / bank cards and physical gifts (mugs, T-shirts, personalized items, etc.) and close to 90% found it to be an appropriate gift for the occasion. The study highlights, 4 out of 5 Amazon Gift Card recipients prefer to receive Amazon Gift Cards in the future as well. While 74% of recipients prefer their Amazon Gift Card to cash, 90% would prefer them over any other gift cards/ vouchers/ bank cards as a Corporate Gift and 94% would prefer them over physical gifts. The top reason for satisfaction with Amazon Gift Cards is ease of use with 90% of Amazon Gift Card recipients voted 'Easy and convenient to redeem/ claim' as the prime reason for satisfaction from Amazon Gift Cards. ## Piramal Launches Garden Sciencz by Jungle Magic

Piramal Enterprises Consumer Products Division today announced the launch of Jungle Magic's Garden Sciencz, an innovative, educational game to nurture learning through creativity for children between the ages of 7 and 11. Developed in the Piramal Innovation Laboratory, Garden Sciencz provides a wide expanse of practical learning for children to explore, question and gain all-round development by focussing on India's geography and vegetation diversity. Jungle Magic, conceptualised in 2009, caters to the well-being of children by providing 'wellbeing through enchantment.' Commenting on the launch, Mr. Kedar Rajadnye, Chief Operating Officer, Consumer Products Division, Piramal Enterprises Ltd. said, "In recent years, education

and knowledge sharing has undergone a significant change, with hands-on learning being replaced by the virtual space. Through the launch of Jungle Magic's Garden Sciencz, Piramal Enterprises seeks to revive the crucial role of hands-on learning in the lives of younger children by making learning fun. We believe in holistic growth of children across four crucial skills - viz Social, Thinking, Emotional as well as Physical. We call this a STEP approach and all our products are built to develop these skills in Children". Jungle Magic is present across multiple categories including kids perfume, sanitizer, lunch packs, mosquito bands & Tattooz. In line with its brand core, Jungle Magic will be introducing new educational games for kids in the age group of 4-14yrs. (20-4)

## Finals of the Fenesta Junior National Championship

Mann Maulik Shah used his reserve energy and cool mind to shock second seed Dev V Javia 6-4, 6-2 in the under-16 semifinals of the Fenesta Open national Tennis championship on Friday. On Saturday, Mann will take on Kevin Mrugesh Patel in the climactic final. Mann Maulik from Gujarat realised the best way out in a crunch match was to play without any inhibition on the hard court. The youngster used an array of strokes and stuck to the basics well to tease his opponent in a short

match. "I was a little tense as I was playing the semis. We have played each other in the past, almost 23 times. Today, I gave it my best shot," said a thrilled Mann Maulik. Kevin Mrugeshdid not have much difficulty in beating sixth seed Kushan Shah 6-4, 6-2. Kevin had geared himself up well this week and his poise in the big match helped him win without any hiccup. "It was a tough match and I gave my best am excited about making it to the finals", said Kevin. In girl's under-16, Tanisha Kashyap moved past Kaavya Sawhney 6-3, 6-2. In the final on Saturday, top seed Tanisha faces seed two Prinkle Singh. Prinkle played a mixed game and moments of uncertainty in the match meant she needed three sets to grind out her opponent Prerna Vichare 6-3, 4-6, 6-1. (19-10)

## Choose the Best Business PC for GST

Manage your GST transition with ease using devices that have pre-integrated software that can handle a range of tasks for your small or medium sized business. Intel India collaborates with device makers including Acer\*, Dell\*, Lenovo\*, Hewlett-Packard\*, iBall\*, and Forstar\* (a subsidiary of Karvy), and e-commerce and retail stores such as Snapdeal\*, Flipkart\*, PayTM\*, Shopclues\*, Reliance Digital\* and Croma\* to lower the cost of ownership and operations of GST bundled devices which are now available for local businesses and entrepreneurs in Surat. Acer devices come pre-installed with BizGuru, a GST-compliant Tally.ERP 9\* software that serves as one-stop solution for accounting and GST compliance needs, including the One 110, Extensa N4640G, and Veriton Z4640G (pictured). A favourite amongst business owners who are always on-the-go,

the GST-ready Acer Extensa N4640G also has the smallest CPU that packs high performance and speed. HP's portfolio features devices available with GST software and services and cloud storage such as the notebook 15-bs541TU and the all-in-one 20-c103in. Both are designed to meet daily business needs by offering a combination of functions, performance and price with a unique design for a modern workday look. Dell notebooks that come integrated with GST ready solutions include models from the Vostro 15 3000 series including the Vostro 3558 (pictured) and Vostro 3250. Designed for small businesses, the laptops are designed to keep your workday running smoothly with up to Intel Core™ i5 performance. This ultra-low voltage processor delivers power-efficient performance for longer battery life. (20-4)

## Raksha Mantri Made her Maiden Visit to CVRDE, Chennai

The Raksha Mantri Smt. Nirmala Sitharaman made her maiden visit to Combat Vehicles Research & Development Establishment (CVRDE), Avadi, Chennai, yesterday. Chairman DRDO & Secretary Department of Defence R&D Dr S. Christopher and Distinguished Scientist & Director, CVRDE Dr. P Sivakumar, made a brief presentation on the achievements and on-going national programs of CVRDE in Combat Vehicles & Technologies.

The dignitaries were taken to various technology centres by Director, CVRDE to witness the products and systems/technologies developed by CVRDE. The Raksha Mantri has evinced keen interest in the advanced systems like Arjun MBT Mk-II, Arjun Armoured Recovery and Repair Vehicle (ARRV), Arjun Catapult, Unmanned Ground Vehicles, Sub-systems of Light Combat Aircraft -Tejas, Landing Gear, 180 hp engine for Rustom-II, 1000 hp Engine for T-72, 400 hp for BMP-II, besides Armoured Ambulance Tracked, Carrier Command Post Tracked, Bridge Laying Tank (BLT-72). The respective project leaders highlighted the uniqueness and specialities of their systems to the dignitaries. The dignitaries assembled at CVRDE-Arjun Auditorium after the showcase of Tanks/technologies. During this occasion, Raksha Mantri released a book namely 'Arjun MBT - an Indian Success

Story' that describes the entire project of Arjun MBT Mk-II. In the august presence of the Raksha Mantri, Smt Nirmala Sitharaman and the Chairman, DRDO, the first prototype of Arjun ARRV was handed over by Chairman & Managing Director, BEML, Mr. Deepak Kumar Hota to Director, CVRDE; Director, CVRDE handed over one set of Landing Gear along with CEMILAC certification to Director, ADE; One set of Power Take Off Shaft to Director, GTRE; and Director, VRDE handed over 180 hp engine to Director, ADE. Smt Nirmala Sitharaman launched the website, 'DRDO Robotics &

Unmanned Systems Exposition' (<https://rac.gov.in/druse/>) for inviting the young & talented minds of engineering community from all parts of the country to take part in Defence Challenging applications. She has also released a book titled 'Achievements of CVRDE' during the ceremony. The Raksha Mantri congratulated DRDO fraternity, in particular CVRDE, for its unstinted efforts and contributions for the defence self-reliance of the nation and expressed her confidence that DRDO will strive hard to empower the nation further with 'Make in India' concept.
