

National WAQF Conference Reviewed the Progress of WAQF Related Schemes and their Implementation

Union Minister for Minority Affairs Shri Mukhtar Abbas Naqvi today said that under "Pradhan Mantri Jan Vikas Karykram" (PMJKV), the Minority Affairs Ministry will construct schools, colleges, ITIs, skill development centres, multi-purpose community centres "Sadbhav Mandap", "Hunar Hub", hospitals, business centres etc on waqf properties across the country. This will be for the first time after the Independence of the country. In his address at a day-long National Waqf Conference in New Delhi, Shri Naqvi said that last week, the Union Cabinet approved "Pradhan Mantri Jan Vikas Karykram" which has provision to utilise Waqf properties for various infrastructure for socio-economic-educational empowerment of the society. 308 districts, 870 blocks, 331 towns and thousands of villages have been covered under "Pradhan Mantri Jan Vikas Karykram". He said that PMJKV will accelerate the utilisation of Waqf properties for the benefit of the society. There are around five lakhs seventy one thousands registered waqf

properties across the country. Shri Naqvi said that the Waqf rules are being made easy and effective to ensure better utilisation of Waqf properties and to free these properties, several of these entangled in disputes for several decades, from disputes. Waqf properties in several states are not being utilised properly due to complicated rules. He said that the Central Government will award those "Mutawallis" who will perform well in management of waqf properties to ensure utilisation of these properties for betterment of the society especially educational empowerment of girls. This award programme will be held every year. Shri Naqvi said that "Waqf Mutawallis" are the "custodian" of waqf properties across the country and they should ensure that these properties are being utilised for betterment of the Muslim community. Shri Naqvi said that Central Waqf Council is providing financial help to state waqf boards for digitalisation of waqf records so that state waqf boards can complete digitalisation work within de-

cidated timeframe as 84 per cent waqf properties already have been digitised. Remaining waqf properties will also be digitised soon. Two legal support officers, 2 Zonal waqf officers, 2 surveyors are being appointed by Central Waqf Council in state waqf boards for preservation, maintenance, development of waqf properties and related legal matters. Shri Naqvi said that the Ministry of Minority Affairs and Central Waqf Council is also helping those institutes which are being established and those who are running on waqf properties and are engaged in educational activities especially educational empowerment of girls.

Member of Parliament Shri Hussain Dalwai, J&K Minority Affairs Minister Choudhary Zulfikar Ali, Secretary, Minority Affairs Ministry, Shri Ameizing Luikham, Jt. Secretary Shri Jan-e-Alam, Central Waqf Council Secretary Shri B M Jamal, Chairman and CEOs from all state waqf boards and other officials were present on the occasion. The National Waqf Conference was organized to review the progress of the implementation of Waqf Act 1995 as amended, Waqf Properties Lease Rule' 2014 and "Qaumi Waqf Board Taraqqiati Scheme". The conference also reviewed the status of "Qaumi Waqf Board Taraqqiati Scheme" implemented by Central Waqf Council. Two schemes, which were implemented separately as "Computerisation.

Skill development needs to recognize traditional skills for economic growth of the state says Dharmendra Pradhan

All traditional skills need to be formally recognized under Skill Development and proper training needs to be imparted in these work-of-art translating into the further economic growth of the State and its people said Skill Development & Entrepreneurship and Petroleum & Natural Gas Minister Shri Dharmendra Pradhan. Addressing the inaugural session, of the 'Odisha Skill Conclave' Shri Pradhan expressed, "Odisha has abundant natural resources and a large coastline. The state has

emerged as the most preferred destination for overseas investors, owing to its natural wealth which includes production of one fifth of India's coal, a quarter of its iron ore, a third of its bauxite reserves and most of the chromite. It has a rich heritage and culture, and is known for its handicraft, handloom and temples. "Skill development is a national dialogue and there have been isolated efforts to promote skill development in the State thus far; but it is our endeavour now to join the dots and have a concrete, comprehensive and collective effort with respect to skill development," he further added.

In line with the Prime Minister's vision of "SabkaSaathSabkaVikas", the Ministry of Skill Development & Entrepreneurship organized Odisha Skill Conclave at Jt. near Bhubaneswar to define a roadmap to develop Odisha as a skill development & entrepreneurship hub of India. The two-day event has gathered more than 100 experts, industry veterans, academicians and professionals from skill ecosystem to deliberate on challenges and opportunities for skill development in the state.

The galaxy of experts from national/international organizations like NALCO, Indian Oil, Reliance, ACC, Aditya Birla, International Labor Organization among others assembled at the Conclave to discuss the local complexities of the State, weaving the discussion and integrating them into the national skill ecosystem. The sessions on day one, highlighted the key challenges and opportunities that exist in the State, identification of cluster/areas with high demand for skills based on investments, credit off-take and mapping geographical areas of economic activities.

The event gave all participating dignitaries a comprehensive picture of the socio-economic background of the State with respect to its population demographics, proportion of youth, education averages, labour force participation and labour mobility.

Sh. Hardeep Puri to inaugurate the 'First Apex Conference for the CEOs of Smart Cities' in Bhopal

Shri Hardeep Puri, Minister of State (I/C) for Housing & Urban Affairs will inaugurate the 'First Apex Conference for the CEOs of Smart Cities' in Bhopal tomorrow i.e 8th May 2018. Since its launch on 25 June 2015, the Smart Cities Mission (SCM), has been one of the most transformational urban missions. Key projects such as digitally integrated smart city centers, street redesign, installation of solar rooftop on buildings, etc., have thus initiated the process of urban transformation, enhancing the liveability of cities. Through their leadership role in driving the implementation of smart city projects, the Chief Executive Officers (CEOs) of the Smart City Special Purpose Vehicle (SPVs) have been instrumental in achieving transformational outcomes envisaged under the Mission.

The two-day conference is being organised for providing a platform for cross learning and knowledge sharing among the Smart City CEOs on 8-9 May 2018. The conference will enable the CEOs to learn from the experiences

of all city leaders to understand in greater details both successes and failures. The convergence of all the best practices in Smart city missions across the country on a single platform will help the city leaders to not waste time in 'reinventing the wheel' but use the collective learning to accelerate the progress of work.

The plenary sessions will feature panel discussions and presentations by Smart City CEOs highlighting their high impact projects under Mission, which can be disseminated as learning for other cities. Further, the way forward for the city level project implementation will be discussed. There will also be an exhibition showcasing the different projects being undertaken by Cities under Smart Cities Mission. The two-day Apex Conference also provides an opportunity for the participating Smart City CEOs to visit the locations and appreciate the smart city projects implemented by Bhopal Smart City Limited.

Apart from the Smart City CEOs, the participants include

representatives from municipal, State and Central Government and various other stakeholders in the Smart City Mission from the civil society, academia, industry etc. The list of invitees includes Principal Secretaries (UD)/State Mission Directors, Municipal Commissioners, Ambassadors of several countries, UN representatives, heads of multilateral/bilateral agencies, civil societies, and capacity building institutes. CEOs/heads of major Master System Indicator vendors are also invited.

The Apex Conference is being organized with an objective to provide momentum to the cities and a platform for cross-learning, sharing and disseminating the experience gained over the past two and a half years. The exhibition and presentations by the CEOs will provide useful insights for accelerating project implementation and enable cross learning among Smart Cities. Such knowledge sharing will help the cities to convert ideas into concrete actions as the outcome of the conference.
